How to Use the P&O Study Public Comment System

The CV-SALTS Public Comment System enables interested parties to do the following:

1. View documents published as part of the Prioritization & Optimization (P&O) Study
2. Submit comments on documents prior to the comment deadline

No sign-in credentials are required. Any member of the public may access the system.

To access the system, visit https://docs.cvsalinity.org/

A view of the Public Comment System home page is shown below (Figure 1).
